# SAMGMA Mission

- SAMGMA is dedicated to improving the social, political and educational foundations of healthcare managers. SAMGMA directs its efforts toward the following goals as it works to accomplish its mission:
  - Foster a collegial approach to healthcare administration.
  - Promote members' interest and skills in education, networking and charity.
  - Assure education in the fundamentals of healthcare management.
  - Support collaboration and collegiality within the boundaries of our business.
  - Enhance diversity within the organization with regard to professional discipline, cultural background, and learning.
  - Help members to become leaders within their organizations and community.
  - Study, develop, and promote educational models that address the needs of our members.
